

## Your Voice is Needed!

**Have you thought about serving on a nonprofit board but are unsure where to start? Or maybe you have some board experience but want to broaden your skills with training from experts in board leadership?**

### United Horizons Board Training Program

- Free skill-based program for Racine County residents
- 5 in-person sessions
- Concluding networking event to facilitate connections between program participants and nonprofits

**To apply, scan the QR code or visit the link below**

Anyone can apply to join the individual program, but preference will be given to those from historically under-represented communities, including:

- people of color
- people in the LGBTQIA+ community
- people with lived experience in poverty
- people in rural communities
