

VOLUNTEER WITH UNITED WAY OF RACINE COUNTY

Schools of Hope

When students can read, they succeed! Help local students become more confident, capable readers in just 30 minutes per week, October through May. Tutors work one-on-one with students at Julian Thomas, Knapp, Mitchell and Wadewitz. No previous experience is needed.

Walking School Bus

The Walking School Bus at Julian Thomas and Knapp helps students get to school safely and on-time each day. Each "bus" walks along a predetermined route, with adult volunteers stopping along the way to pick up participating children and walk them to school. The time commitment is approximately 90 minutes per week for the duration of the school year.

Volunteer Income Tax Assistance (VITA)

VITA (Volunteer Income Tax Assistance) provides free preparation and electronic filing of tax returns. VITA volunteers work at least one shift per week during tax season, and shifts range from two to four hours. There are both virtual and in-person volunteer opportunities available. No experience is needed; training and support is provided to help volunteers become IRS-certified.

Volunteer Advisory Teams

Volunteers serve on a Volunteer Advisory Team and support United Way of Racine County's community investment process by evaluating program proposals, making funding recommendations and reviewing data to monitor program outcomes. The total time commitment for each year is approximately 30 hours and volunteers are asked to make a minimum commitment of two years.
