Walking School Bus

The Walking School Bus helps students at Julian Thomas and Knapp get to school safely and on time each day. Each “bus” walks along a predetermined route, stopping along the way to pick up participating children and walk them to school. The time commitment is approximately 90 minutes per week for the duration of the school year.

Volunteer Income Tax Assistance (VITA)

VITA (Volunteer Income Tax Assistance) offers free tax return preparation and electronic filing services. Volunteers commit to at least one weekly shift during tax season, with shifts typically lasting two to four hours. Opportunities are available both virtually and in-person. No prior experience is necessary; comprehensive training and support are provided to help volunteers obtain IRS certification, although not all roles require it. We also are in need of volunteers who are fluent in Spanish. *También necesitamos voluntarios que hablen Español.*

Volunteer Advisory Teams

Support our community investment process by evaluating program proposals and making funding recommendations. The annual commitment is about 25 hours, over a four-month period with a minimum two-year term.
